Girls Place girls become independent women who embrace diversity, express their ideas, rise above obstacles, enhance their communities, and lead those around them.

Vision

Values

At Girls Place, we believe that all girls should be inspired, challenged and nurtured to become their very best.

At Girls Place, we empower girls to grow courageous, strong and self sufficient. We inspire our girls to celebrate themselves—their minds, their hearts, and their physical well being.

Mission

HISTORY

For more than 30 years of serving girls in Alachua County, the Girls Place has evolved into a passageway from childhood to womanhood for many girls in the Gainesville community. The young women of today are learning to become tomorrow's future by living and developing in a continuously changing world. Girls Place embraces this opportunity and challenge, and is confident that girls will prosper through our after school, athletic and summer programs.

March – April 1981	The Gainesville Junior Woman's Club began investigating the need and interest for a girls club in the community with surveys and public meetings.
September 1982	A 20 member Operations Board of Directors was created. The Girls Club of Alachua County was issued non-profit status.
January 1985	Renaë Clements (the first executive director) was hired.
June 1985	The first Girls Club summer day camp was held at Sidney Lanier School, run by volunteers and was an incredible success.
November 1985	The City of Gainesville granted Girls Club 5.3 acres of land.
April 1986	Construction commenced on the Girls Club clubhouse. Summer Day Camp continued being held at Westwood Middle School.
August 1987	The first after-school program at the Girls Club of Alachua County Clubhouse was inaugurated
January 1988	United Way announced the Girls Club as one of their affiliated agents
April 1991	A fifteen member rotating Board of Directors of the Girls Club of Alachua County Foundation was created and officers were elected
November 1991	Girls Club of Alachua County Foundation was issued non-profit status.
September 2008	The Girls Club underwent a name change and officially became known as Girls Place, Inc.
October 2013	Renaë Clements retired after 30 years and Janna Magette was hired as executive director.
