Dear Community Leader,

Girls Place, Inc. is a non-profit organization that serves the needs of young ladies throughout our community. With a decrease in physical activity being offered in the schooling system, Girls Place provides the opportunity for physical activity that our girls need in a safe, nurturing environment.

At Girls Place, a variety of sports are offered to cater our girls' diverse interests. We offer volleyball, basketball, track and soccer during the school year and week-long sport camps throughout the summer and are looking to expand our program to offer additional sports. Because all girls need the opportunity to play sports, we strive to provide scholarships to those who could not otherwise afford to participate.

Your sponsorship of our teams can help make that possible. We are seeking sponsorships in the amounts of \$300, \$400, and \$650 so that we can continue to offer scholarships and keep player fees financially attainable for all girls. Your sponsorship will provide for scholarships, uniforms, trophies, equipment, and other program costs.

As a gesture of our appreciation, Girls Place will recognize your sponsorship in a number of ways throughout the season. Your logo on our team t-shirts, banners in our gym, on our website, and within our newsletters are all opportunities to advertise your business while supporting our girls.

I hope you will consider sponsoring the Girls Place Athletic Program. If you are in need of any additional information, please do not hesitate to contact me at melissa@GirlsPlace.net or 352-373-4475.

Sincerely Yours,

Melissa Tyrone
Development Director
