Who We Are

MISSION

At Girls Place, we empower girls to grow courageous, strong and self sufficient. We inspire our girls to celebrate themselves—their minds, their hearts, and their physical well being.

VISION

Girls Place girls become independent women who embrace diversity, express their ideas, rise above obstacles, enhance their communities, and lead those around them.

VALUES

At Girls Place, we believe that all girls should be inspired, challenged and nurtured to become their very best.

Girls Place History

In more than 40 years of serving girls in Alachua County, Girls Place has evolved into a passageway from childhood to womanhood for many girls in the Gainesville community. The young women of today are learning to become tomorrow's future by living and developing in a continuously changing world. Girls Place embraces this opportunity and challenge, and is confident that girls will prosper through our programs.

March-April 1981

The Gainesville Junior Woman's Club began investigating the need and interest for a girls club in the community with surveys and public meetings.

November 1982

A 20 member Operations Board of Directors was created and The Girls Club of Alachua County applied for non-profit status.

January 1985

Renae Clements was hired as our first Executive Director.

June 1985

The first Girls Club summer day camp was held at Sidney Lanier School, run by volunteers and was an incredible success.

November 1985

The City of Gainesville granted Girls Club 5.3 acres of land.

April 1986

Construction commenced on the Girls Club facility. Summer Day Camp continued being held at Westwood Middle School.

August 1987

The first after-school program at the Girls Club of Alachua County Clubhouse began.

January 1988

United Way announced the Girls Club as one of their affiliated agents.

April 1991

A fifteen-member rotating Board of Directors of the Girls Club of Alachua County Foundation was created, and officers were elected.

November 1991

Girls Club of Alachua County Foundation was issued non-profit status.

September 2008

The Girls Club underwent a name change and officially became known as Girls Place, Inc.

July 2013

The ACHIEVE (Academic Counseling and Help Increasing Educational Victories Everyday) program began with a focus on supporting girls academically throughout the year.

October 2015

Our BrainPower program began. We are the first year-round holistic program to offer on-site mental health services; nearly eliminating cost and transportation as barriers.

June 2017

Girls Place officially became licensed by The Florida Department of Children and Family Services (DCF).

September 2017

Christi Arrington became the 3rd Executive Director of Girls Place, Inc.

June 2020

With the support of Anthem Church, donors through the Amazing Give, our GP Family and Friends, and the Women's Giving Circle, we built 3 new classrooms for our girls!

July 2021

Received the Award for Advancing Minority Mental Health from the American Psychiatric Association Foundation for our work in BrainPower.

MAKING PAYMENTS: Fees can be paid on www.myprocare.com at any time or in the front office between 11:00am and 6:00pm. Please plan accordingly.

TUITION EXPRESS: All families **MUST** have a valid credit card or bank account on file at all times. Accounts with a balance on the last Friday of the month will be automatically charged via Tuition Express at noon. It is your responsibility to update credit card or bank account information as needed.

ANNUAL MEMBERSHIP FEE: \$25 for one child; \$50 for 2 or more children residing in the same household (nonrefundable and nontransferable). All programs require participants to have a current Girls Place membership. Membership fees are charged once a year.

WEEKLY FEE: Elementary school is \$55 per week for the first child and \$45 per week for each sibling. Middle school is \$40 per week. Fees are due by 12pm the last Friday of the month before the week that your child will attend.

LATE PICK-UP FEES: Parents will be charged \$1 for every five minutes they are late beyond 6:05pm due in cash upon arrival. Please notify Girls Place as soon as possible if you will be late.

NON-SUFFICIENT FUNDS (NSF): All NSF checks, declined credit card charges, or overdrafts will be charged a \$25 fee.

REFUNDS: Refunds are granted in accordance with the After School Payment Procedures.

Please consult the AS Payment Procedures for all payment related questions.

CHECK-IN AND CHECK-OUT PROCEDURES

CHECK-IN

- Girls will be checked-in with the Procure app by a staff member when they arrive at Girls Place.
 - Please call or message via the Procure App by noon if your child(ren) will not be attending for the day.
- Girls report to the classrooms immediately.
- Excessive absence or tardiness may jeopardize financial assistance eligibility.
- Families on ELC must abide by both Girls Place and ELC guidelines. Failure to do so can result in dismissal from Girls Place or loss in funding from ELC.

SCHOOL HOLIDAYS

- On school holidays, weather permitting, a staff member will be outside for check-in from 7:30-9:00am. Please pull up to the curb and wait until we have checked in your child.

CHECK-OUT

- If arriving before 4:30pm for pick-up, you are required to park and come inside.
- If arriving between 4:30-6pm, please pull up to the yellow curb. A staff member will be outside (weather permitting) to verify identity. Staff will then call for your child to come outside for pick-up. Please continue to move the pick-up line forward.
- Parents can utilize the Procure App to once they arrive on property to check-out girls.

NOTES

- Girls Place reserves the right to release the child to the Gainesville Police Department if the parent/guardian/emergency contact is more than 15 minutes late and cannot be reached.
- Girls can be checked out at any time from Girls Place, but must be picked up no later than 6:00pm.
- Girls will only be released to individual's authorized to pick up the child by the parent/guardian during the registration process. Photo identification will be used to verify identify.
- Parents and guardians CANNOT pick up girls from field trips.
- REMINDER: Late fees will be charged if arriving after 6:00pm. Girls Place reserves the right to refuse service.

TRAUMA-INFORMED DISCIPLINE POLICY

POLICY

Girls Place, Inc. behavior expectations and discipline procedures are based on the Girls Place Mission. Using a trauma-informed approach, Girls Place, Inc. promotes behavior guidance and discipline through creating a positive environment, developing structure, promoting social and emotional learning, reinforcing our mission, and addressing challenging behaviors.

Definitions:

1. Trauma results from an event, series of events, or set of circumstances that is experienced by an individual as physically or emotionally harmful or life threatening and that has lasting adverse effects on the individual's functioning and mental, physical, social, emotional, or spiritual well-being.
2. A Trauma-Informed approach recognizes and responds to the signs, symptoms, and risks of trauma to better support the health needs of those who have experienced Adverse Childhood Experiences (ACEs), trauma or toxic stress.

Girls Place, Inc. team members promote desired behaviors through teaching and reinforcement. Staff redirect or problem-solve with youth when they are not displaying desired behaviors. In all instances, discipline should be reasonable, timely, fair, age and developmentally appropriate, logically connected to the behavior, relationally based, and should match the severity of the misbehavior.

There are times when restrictions may be necessary and are most often linked to the health, safety, or well-being of others. In the event an individual harms themselves or someone else, trained staff may physically restrain the youth to ensure safety. Girls Place staff does not use corporal punishment under any circumstance.

TRAUMA-INFORMED DISCIPLINE POLICY

INCIDENT REPORTS

Internal documentation is kept on incidents to help staff understand and identify patterns of behaviors and common triggers of the children. Staff members keep parents aware and alert to all challenging situations and ask for advice and support when needed. Any time a child receives an incident report, parents will be asked to acknowledge receipt by signing the document.

PROGRAM SUSPENSIONS

Program suspensions will be at the discretion of the Program Director and based on severity of the incident as well prior incidents for the school year. No refunds will be given in the event of a suspension.

PROGRAM EXPULSIONS

We recognize and appreciate the unique characteristics and behaviors that each child and family brings to our program. Unfortunately, there are times we must remove a child from our programs either on a short term or permanent basis. Girls Place team members will do everything possible to work with the family of the child(ren) to prevent expulsion.

Expulsion is meant to be a period for the parent/guardian to work on the child's behavior and/or to come to an agreement with our organization. The parent/guardian will be notified of the length of expulsion and the expected behavioral changes required for the child to return to Girls Place.

Parent/Guardian Actions for Expulsion

- Failure to pay fees and/or failure to pay fees on time
- Failure to complete required forms or comply with Girls Place policies and procedures
- Habitual tardiness when picking up your child
- Verbal abuse or intimidation towards staff

Girls' Actions for Expulsion

- Failure to comply to Girls Place's House Rules in a reasonable amount of time
- The child is at risk of causing injury to herself or others
- Uncontrollable outbursts
- Physical, verbal, and emotional abuse to staff or other girls

HEALTH AND SAFETY

REPORTING

- We are required by DCF to maintain a log of all incidents and accidents. This includes any injury that requires first aid (bandage, CPR). It also includes reporting potential injuries, such as a fall.

FIRST AID

- Basic first aid supplies are provided and will be administered by certified staff
- Accident reports are completed and provided to parents when an injury occurs and when treatment is provided
- Parents will be notified immediately if an injury involves the head, is severe, or requires additional attention

MEDICATIONS

- A signed consent form must be on file for staff to administer medication of any kind to the child. A medication log will be maintained by staff after each administration of medication.
- Prescribed medication must be in a current and labeled prescription bottle with the members' name, dosage and usage clearly labeled.
- Over-the-counter (OTC) medication must be in its original container, in date, and labeled with the child's name. (ex. Tylenol, Advil, Cream)
- Prescription medications are secured in a lock box with access limited to administrative staff

LICE

- Lice checks are conducted on an as needed basis. Parents or guardians will be called if nits or lice are evident.
- If a child is sent home due to head lice, proof of treatment is required prior to their return
- Girls are instructed not to share brushes, hats, or clothing due to the potential spread of lice

FEVERS

- If a child has a fever above 101, parents will be contacted to pick-up the child. The child must be picked up within one hour of notification.

HEALTH AND SAFETY

ISOLATION FOR POTENTIALLY CONTAGIOUS ILLNESS

Families are expected to communicate immediately about illnesses and keep children home with the following minimum expectations:

Strep Throat

- Definition: bacterial infection caused by group A Streptococcus or “group A strep.” People who are sick with strep throat are very contagious.
- Recommendation: stay home from school and GP until they no longer have a fever without medication and have taken antibiotics for at least 24 hours.

Flu (Influenza)

- Definition: common contagious viral respiratory illness that can affect the nose, throat, and lungs. Flu viruses spread mainly by droplets made when people with flu cough, sneeze or talk. Flu illness can vary from mild to severe
- Recommendation: that those who have a fever and respiratory symptoms stay at home until 24 hours after their fever ends (100 degrees Fahrenheit [37.8 degrees Celsius] or lower), without the use of medication.
- Exposure: If exposed or direct contact with someone who has the flu, it is recommended to wear a well fitted mask, wash hands frequently, avoid contact with the sick person, and do not share personal items

Respiratory Syncytial Virus (RSV):

- Definition: contagious virus that affects the lungs and breathing passages. Most children get RSV infection by age 2, but you can get infected at any age and more than once in your lifetime.
 - People who are sick with respiratory syncytial virus (RSV) are contagious for 3 to 8 days. People usually get sick with RSV 4 to 6 days after being exposed to the virus.
 - Recommendation: A child with RSV can return after it has been 8 days since symptoms started.
 - Exposure: If exposed or direct contact with someone who has RSV, it is recommended to wear a well fitted mask, wash hands frequently, avoid contact with the sick person, and do not share personal items

COVID-19:

- As of March 1, 2024, The updated Respiratory Virus Guidance recommends that people stay home and away from others until at least 24 hours after both their symptoms are getting better overall, and they have not had a fever (and are not using fever-reducing medication).

HEALTH AND SAFETY

PERSONAL PROTECTION AND HANDWASHING

- Staff are required to be masked while preparing and packaging opened foods and snack items
- Staff are trained and reinforce proper hand washing, the importance of covering your cough/sneeze and doing so into the bend of your arm, and physical distancing
- Sanitizer will be available for instances when hand washing is not possible

CLEANING, SANITIZING, AND PURIFICATION

- Bathrooms are well stocked with soap and paper towel and sanitized as needed by staff during the day
- In addition to staff responsibilities, a contracted cleaning company cleans nightly with emphasis on high touch areas
- The building is sanitized with Electrostatic backpack sprayer daily
- Purifiers are used in the original 5 classrooms (Rooms 1-5) to support CDC suggested ventilation efforts while the new classrooms (Rooms 6-8) are equipped with a modern HVAC unit that pulls fresh air into the space consistently
- Windows are partially open in vehicles to promote fresh air entering the vehicle
- If a child or staff person is diagnosed with Covid-19, a room may close temporarily for deep sanitizing; girls will utilize other space in the building during that time

HEALTH AND SAFETY

SOILED CLOTHING

- Please pack clean underwear and shorts if your child is known to soil her clothing on a regular basis. Staff will NOT help girls change their clothes.
 - The girls will be provided a private bathroom, wipes to clean, and a bag for soiled clothing.
- Girls Place has the right to refuse service to any child who consistently soils her clothes.

EMERGENCY PREPAREDNESS

- We practice fire, inclement, and intruder drills periodically throughout the summer
- Parents will be notified by email, Procure message, and/or phone call in the event of an actual emergency.

TRANSPORTATION

- Transportation is provided FROM school and for GP field trips only
- Members will be transported in Girls Place vehicles or chartered busses
- Girls Place staff are not allowed to transport girls in their personal vehicles

Van/Bus Rules

- The bus is equipped with a driver and a monitor to supervise the children
- Smaller vehicles may only have a driver on the vehicle, in this instance there will be at least 2 children on the vehicle at all times.
- Children must remain seated at all times with the seatbelt securely fastened
- Feet should be out of the aisles
- Voices should remain at a conversational level
- Heads and arms must remain inside the windows
- Girls are asked to have their bags on the floor between their feet or on their laps rather than on the seat

By registering for the after school program, parents authorize Girls Place to arrange for transportation in case of an accident or acute illness of the participant. In the event it is not possible to receive instruction for the participant's care, consent is given to any licensed physician for treatment. Additionally, registration authorizes a physician to administer medication and to perform necessary treatment for the preservation of the participant's health and well-being. Any cost incurred for treatment of sudden illness or accident shall be paid by the identified payers.

ADDITIONAL INFORMATION

LOST AND FOUND

- Girls Place is NOT responsible for items that are lost or stolen. Please DO NOT bring expensive or valuable items to GP.
- To prevent lost items, please label belongings as much as possible
- Periodically check lost and found for personal belongings
- Items left in lost and found will be donated to a local charity

ELECTRONICS

- Electronics are not allowed at Girls Place (e.g. cell phones, smart watches, tablets, etc.)
- If it is necessary for your child to have an electronic device, it must be turned in to the front office upon arrival.
- Staff have been instructed to take electronic devices and turn them in to the front office until the child goes home.
- If you need to get in touch with your child, please call the front office (352)373-4475
- Girls Place is not responsible for lost or stolen electronics.

PHOTO AND SOCIAL MEDIA RELEASE

- If you agree to the photo release on the registration form, your child's image may be used in Girls Place publications including, but not limited to newsletters, fliers, brochures, newspapers, and television promotions
- If you agree to the social media release on the registration form, your child's image may be use in Girls Place social media.

SOCIAL MEDIA USE

- Girls are not given access to any social networking sites (e.g. Facebook, Instagram, Snapchat)
- Members are prohibited from accessing social networking sites during field trips to the library
- Staff are prohibited from being "friends" with any Girls Place members on social media
- It is strongly discouraged for counselors to be "friends" with members' parents

Section 65C-22.008(3)(III), F.A.C. requires that parents are provided with the information detailing the causes, symptoms, and transmission of the influenza virus.

What should I do if my child gets sick?

Consult your doctor and make sure your child gets plenty of rest and drinks a lot of fluids. Never give aspirin or medicine that has aspirin in it to children or teenagers who may have the flu.

Call or take your child to a doctor right away if your child:

- Has a high fever or fever that lasts a long time
- Has trouble breathing or breathes fast
- Has skin that looks blue
- Is not drinking enough
- Seems confused, will not wake up, does not want to be held, or has seizures (uncontrolled shaking)
- Gets better but then worse again
- Has other conditions (like heart or lung disease, diabetes) that get worse

How can I protect my child from the flu?

A flu vaccine is the best way to protect against the flu. Because the flu virus changes year to year, annual vaccination against the flu is recommended. The CDC recommends that all children from the ages of 6 months up to their 19th birthday receive a flu vaccine every fall or winter (children receiving a vaccine for the first time require two doses). You also can protect your child by receiving a flu vaccine yourself.

What can I do to prevent the spread of germs?

The main way that the flu spreads is in respiratory droplets from coughing and sneezing. This can happen when droplets from a cough or sneeze of an infected person are propelled through the air and infect someone nearby. Though much less frequent, the flu may also spread through indirect contact with contaminated hands and articles soiled with nose and throat secretions.

To prevent the spread of germs:

- Wash hands often with soap and water.
- Cover mouth/nose during coughs and sneezes. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.
- Limit contact with people who show signs of illness.
- Keep hands away from the face. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

When should my child stay home from child care?

A person may be contagious and able to spread the virus from 1 day before showing symptoms to up to 5 days after getting sick. The time frame could be longer in children and in people who don't fight disease well (people with weakened immune systems). When sick, your child should stay at home to rest and to avoid giving the flu to other children and should not return to child care or other group settings until his or her temperature has been normal and has been sign and symptom free for a period of 24 hours.

During the 2009 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes provide parents with information detailing the causes, symptoms, and transmission of the influenza virus (the flu) every year during August and September.

What is the influenza (flu) virus?

Influenza ("the flu") is caused by a virus which infects the nose, throat, and lungs. According to the US Centers for Disease Control and Prevention (CDC), the flu is more dangerous than the common cold for children. Unlike the common cold, the flu can cause severe illness and life threatening complications in many people. Children under 5 who have the flu commonly need medical care. Severe flu complications are most common in children younger than 2 years old. Flu season can begin as early as October and last as late as May.

How can I tell if my child has a cold, or the flu?

Most people with the flu feel tired and have fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. Because the flu and colds have similar symptoms, it can be difficult to tell the difference between them based on symptoms alone. In general, the flu is worse than the common cold, and symptoms such as fever, body aches, extreme tiredness, and dry cough are more common and intense. People with colds are more likely to have a runny or stuffy nose. Colds generally do not result in serious health problems, such as pneumonia, bacterial infections, or hospitalizations.

DISTRACTED DRIVER

Twice a year, we are required to share the following with you. Please plan on signing that you received the reminder in April and September.

Distraction Prevention Tips:

- **Never** leave your child alone in a car and **call 911** if you see any child locked in a car!
- **Make a habit** of checking the front and back seat of the car before you walk away.
- **Be especially mindful** during hectic or busy times, schedule or route changes, and periods of emotional stress or chaos.
- **Create reminders** by putting something in the back seat that you will need at work, school or home such as a briefcase, purse, cell phone or your left shoe.
- **Keep a stuffed animal** in the baby's car seat and place it on the front seat as a reminder when the baby is in the back seat.
- **Set a calendar reminder** on your electronic device to make sure you dropped your child off at child care.
- **Make it a routine** to always notify your child's child care provider in advance if your child is going to be late or absent; ask them to contact you if your child hasn't arrived as scheduled.

During the 2018 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes to provide parents, during the months of April and September each year, with information regarding the potential for distracted adults to fail to drop off a child at the facility/home and instead leave them in the adult's vehicle upon arrival at the adult's destination.

Facts About Heatstroke:

- ⚠ It only takes a car **10 minutes** to heat up 20 degrees and become deadly.
- ⚠ Even with a window cracked, the **temperature inside a vehicle** can cause heatstroke.
- ⚠ The body temperature of a child increases **3 to 5 times faster** than an adult's body.
