Dear Community Member,

Girls Place is a non-profit organization that has been serving the needs of young girls in the local Gainesville community for over 40 years. We strive to provide a safe, nurturing environment where young girls can develop their skills and compete in a variety of athletic programs.

Participating in sports establishes many lifelong habits for a healthy and active lifestyle. Not only does sports participation improve physical health, but it also plays a positive role in other aspects of youth development. For instance, athletes are more likely to get better grades in school, have higher levels of self-esteem, fewer behavioral problems, and better relationships with peers and family.

To continue to make this rewarding experience a reality for our girls, we are reaching out directly to local businesses and offering the opportunity to partner with Girls Place and become a sponsor. Your sponsorship will help us provide jerseys, equipment, and financial assistance for deserving young athletes who otherwise would be unable to participate. Not only does your sponsorship help us provide affordable athletic programs for our girls, but your business will also benefit from this great marketing opportunity!

Please take some time to review the sponsorship information I have included with this letter. I am confident you will find a level of sponsorship that will be comfortable for your company as well as beneficial to our organization. With your help, we can continue to empower girls to be strong, courageous, and self-sufficient!

If you have any questions or would like more information, please do not hesitate to contact me at [Kevin@girlsplace.net](mailto:Kevin@girlsplace.net) or (352)373-4475.

Thank you for making Girls Place Your First Place,

Kevin Pirkle
